

Dear Researcher:

Here is a copy of the student paper from the University of Michigan Biological Station that you requested. We have been unable to procure the author's permission to distribute this student course work. We would like you to acknowledge that you are using it for scientific research purposes and have no intention to either publish it for monetary gain or publish it as part of something else without crediting this/these individual authors. Please sign your name below and return this email. Thank you.

A handwritten signature in black ink, appearing to be "J. M. S.", is written on a light blue grid background.
